NOTICE

**HIGHWAY OBSTRUCTIONS
IN ONEIDA COUNTY**

Pushing snow or other materials onto or across roadways from private driveways can cause accidents and death and is prohibited by Wisconsin Statutes *86.01, *86.07, 346.94.

PERTAINS TO ALL STATE, COUNTY AND TOWN ROADS

The Department of Transportation, County and Towns will be asking the Sheriff's Department to enforce these statutes.

Placing mailboxes away from driveways and intersections helps to avoid vision restricting snowbanks in late winter and helps to avoid damage to your mailbox. The nearest part of your mailbox should not be closer to traffic than the shoulder line, with box and base strong enough to withstand wind, flying snow and slush from traffic and snowplows. A diagram of postal and highway recommendations for installation of mailboxes can be obtained at the Highway Office.

Avoid penalty and liability and cooperate toward safer highways.

By order of the Oneida County Highway Committee.

Bruce Stefonek

Oneida County Highway Commissioner
